Summary

I am seeking a career in the coding field after completing the course provided by Promineo Tech through UNM's continuing Education Program. Understanding and implementing data as a software developer is a goal I wish to achieve in order to provide for my growing family. The following is information on the course and what they offer in the class:

Back End Software Developer Bootcamp (18 weeks) | *Promineo Tech & College*

Online Course | April/2022 to August/2022

Program: Back End Software Developer

Skills and technologies include Java, Algorithms, OOP, Design Patterns, Unit Testing, SQL, DDL, DML, Database Concepts, JDBC, Spring Boot, Spring Data, REST, JPA, JWT, AWS, and more.

Courses

Introduction to Java

Basic programming in Java to advanced Object Oriented concepts, design patterns, and unit testing. Version control with Git.

Relational Databases with MySQL

MySQL databases using DDL to create databases and DML to manipulate data. Concepts and best practices such as normalization.

Web API Design with Spring Boot

Design and build web APIs using Spring Boot. Concepts include RESTful service design, JPA, Spring Data, JWT, Spring Security, and AWS deployment using Elastic Beanstalk.

Current and Previous Work History

Sept. 2018 **Fireplace Service Technician**

To present Mountain West Sales, Inc.

2718 University Blvd SE, Albuquerque, NM, 87107

Clean and organize the warehouse, deliver fireplaces and other various fireplace related items to customers and for the installers, help service tech and installers with either installing or servicing fireplaces, prepare orders and distribute them to the correct customers, use a forklift to move pallets or other various items throughout the warehouse and backlot, train new warehouse employees of their duties, dismantle and label parts of fireplaces when damaged units come in. Provide services for customers by identifying issues and promptly correcting the issues that may appear in the customer's fireplace in their homes.

Aug. 31st, 2017 **Supervisor Assistant**

To Aug. 14th, 2018 Powervac of Michigan
